ACKNOWLEDGMENT

We, at the Placement Cell of Jesus and Mary College, express our heartfelt gratitude to all the organizations and individuals who have contributed to our success in the academic year 2023-2024. Your unwavering support and collaboration have been instrumental in shaping the future of our students.

We extend our sincere thanks to our Principal, Dr. Sandra Joseph, for her visionary leadership and constant encouragement. Her commitment to excellence and her unwavering faith in our potential have been the driving forces behind our accomplishments.

We also acknowledge the efforts of our dedicated team members, whose hard work and perseverance have made it possible for us to achieve great heights. Their passion and commitment have been the backbone of our placement cell.

Special thanks goes out to all the companies and organizations that have participated in our placement drives, offering our students valuable opportunities for growth and development. Your trust and belief in our students have been the foundation of our success.

Last but not least, we would like to express our appreciation to our students, who have shown resilience and determination in their pursuit of excellence. Their achievements are a testament to their hard work and dedication.

PRINCIPAL'S NOTE

The Placement Cell of JMC has been committed towards bringing excellent work opportunities for its students for the past two decades. With each passing year, we seek to take that excellence to the next level by expanding the network of collaborations.

Our talented students at JMC accomplish even more by being mentored by the learned and dedicated faculty of the college.

The Placement Cell is further facilitating the work readiness of our students through training sessions and enriching interactions with industry experts and our alumni.

Some of the most prestigious companies and organisations have visited our campus in the past and continue to do so for successfully recruiting from our pool of talented, bright students.

We are in the process of making these connections and relations even more far-reaching and diverse. We are committed towards bringing more such partnerships to our campus for the mutual enrichment of all the stakeholders. Our vibrant and high-performing team of students and faculty at the placement cell of JMC are working passionately towards that goal.

We invite you to visit our campus and allow us to introduce to you the bright, creative and diligent students of our institution.

ABOUT THE TEAM

THE PLACEMENT CELL

In 1998, Jesus and Mary College started a Placement Cell in the University of Delhi for undergraduate students. The Cell continues to facilitate hassle-free recruitment by establishing an institutionalized mechanism.

The Placement Cell, Jesus and Mary College is a professional body incorporated for facilitating recruitment of the country's best minds by global corporations. It serves as the liaison between the companies and the students and works tirelessly to match the repute and eminence that the college is renowned for.

OUR VISION

We wish to equip the students with relevant professional skills and provide them with a plethora of opportunities from companies throughout the country enabling them to have a bright start to their professional lives. Additionally, our endeavour is to ensure the availability of opportunities for Placements & Internships to all sections of students in a fair and equitable manner.

OUR MISSION

The Placement Cell of Jesus and Mary College aims to meaningfully connect with renowned organizations and organize placement drives to facilitate the recruitment of maximum number of students. Our aim is to create opportunities that enable the maximum number of students to secure valuable internships and placements.

OUR DIVISIONS

PLACEMENT AND INTERNSHIPS

As the Placement and Internship Division of The Placement Cell, Jesus and Mary College, the team is actively engaged in arranging internship opportunities for students, collaborating with reputed companies across various industries to provide students with practical, hands-on experiences that are crucial for their professional growth, organising campus recruitment drives and inviting leading companies to recruit our students for full-time positions.

Our dedicated team is committed to providing continuous support and guidance to our students throughout their journey, from their first day at college to their graduation and beyond.

TRAINING AND DEVELOPMENT

As the Training and Development Division of the Placement Cell, Jesus and Mary College, the team's goal is to foster the holistic development of our students and equip them with the necessary skills and knowledge to succeed in their chosen careers.

The Training and Development Division offers a wide range of programs and workshops aimed at enhancing the employability of the students including Soft Skills Training, Mock Interviews and Group Discussions, Resume Building and Industry Interaction through workshops and knowledge seminars.

Our team is committed to providing the necessary support and resources to help our students excel in their careers. We believe in empowering our students to become confident, competent, and successful professionals.

OUR INITIATIVES

Meaningful initiatives undertaken by JMC, reflecting our commitment to holistic education, innovation, and community engagement.

The Training and Development Division of The Placement Cell focuses on bridging the gap between the academia and corporate sector by providing valuable sessions, seminars, workshops, upskilling and skill building opportunities. So far, we have conducted 20+ seminars and workshops with a footfall of over 2700+ students in skill enhancement and academic development. Collaborating with renowned institutions like King's College London, Indian School of Business, S.P Jain Institute of Management and Symbiosis Institute of Business Management, we hosted career development sessions covering diverse fields such as public policy, research and academia, consulting, economics, international development and so on. We also organized academic skills sessions to improve aptitude for exams like TOEFL and GRE in collaboration with ETS India, therefore providing study tips and test-taking techniques. Furthermore, the Training and Development Division facilitates career development through initiatives like Alumni Connect Sessions, that offers industry-specific knowledge and guidance from JMC alumni. In addition, the annual boot camp, Career Catalysts, focuses on enhancing Personal Interview and Group Discussion skills through sessions conducted by esteemed JMC alumni. These initiatives aim to bridge the knowledge gap and equip students with essential skills for successful recruitment. The Placement Cell's initiatives foster skill development, industry knowledge, and career readiness. They promote engagement and participation, creating a strong ecosystem for students' professional development.
