

Annual Report 2022-23

By

The Placement Cell

Jesus and Mary College, University of Delhi

San Martin Marg, Bapu Dham, Chanakyapuri, New Delhi, Delhi – 110021

I. Foreword

The Placement Cell, Jesus and Mary College is a professional body that serves as a contact between the organizations and the students and works eagerly to match the notoriety and prominence that the college is prestigious for. The Cell has seen a smooth shift towards virtual positions to give its scouts a bother free recruiting experience. The Cell had witnessed a smooth shift towards virtual placement to provide its recruiters a hassle-free hiring experience.

The Cell conducted Virtual Placement Drives from July, 2021 to February, 2022 and companies from the likes of Ernst & Young, KPMG, Accenture, Deloitte, BCG, Bain and Co., PwC, Nation with NaMo, ICICI Bank, Paytm, Nestlé, etc. Overall, a substantial number of students got successfully placed. The Placement Cell facilitated the recruitment drives of premier recruiters across domains like Finance, Consulting, Marketing, Product Management, Operations and many more over the course of its functioning, providing various opportunities like placements, internships, articleships, seminars, webinars and workshops to the students.

155 firms, including Ernst & Young, KPMG, Seekho, Great Learning, Bain and Co., Deloitte, etc., joined to provide pre-final and final-year students virtual internships all year long during the academic year 2021–22. The Cell firmly believes that internships expose students to the outside world and provide them a chance to build important professional networks.

The Placement Cell recently joined hands with the Training and Development Cell of Jesus and Mary College; Neev, both the Cell look forward to achieving great heights together.

[The Placement Cell, Jesus and Mary College](#) is thrilled to announce the successful completion of the Recruitment Season 2022-23.

We are delighted to have catered to numerous reputable organizations who recruited highly skilled and knowledgeable students from our esteemed institution.

This season has been a remarkable success, as we have achieved unprecedented milestones, including the Highest Package offered at 21 LPA and an average package of 6.2 LPA.

We extend heartiest congratulations to each student who secured placements in the Placement Season 2022-2023 and we would like to express our sincere gratitude to our esteemed 150+ recruiters who have honoured us with their presence. We look forward to strengthening these synergistic relationships and fostering new associations to equip our students with diverse opportunities spread across various domains.

IX. Steps in Campus Recruitment Preparation

1. 4. LinkedIn and Corporate Relations: Submission of Google Drive Folder containing Passport Size Photographs of Final Selects, Designing Graphics, Drafting Caption for Post, Scheduling the Post, Posting of the Graphic, Circulation of the Post for maximum engagement, Engaging with comments on Post.

X. Seminars, Webinars, and Workshops

The Placement Cell focuses on enhancing students' knowledge, skills, and abilities by providing competent resources and professional training. Workshops, seminars, webinars, group discussions, and interactive sessions are used to share information, expand knowledge, and foster learning. Led by experienced professionals, these sessions enrich the educational experience beyond the classroom.

During our tenure, we conducted 13+ seminars and webinars, benefiting over 1500 students in skill-building and academic development. Collaborating with renowned institutes like the Indian School of Business, S.P Jain Institute of Management and Research, and Symbiosis Institute of International Business, we hosted career development sessions covering diverse fields such as social impact, public policy, aviation, and consulting. These sessions guided students in exploring career paths and provided practical advice for making informed choices.

We also organized academic skills sessions to improve aptitude for exams like TOEFL and GRE, providing study tips and test-taking techniques. Students received perks like discount vouchers for global examinations. Additionally, a group discussion by Bombae Shaving Company allowed students to pitch ideas and gain insights into company operations.

Furthermore, the Placement Cell facilitated career development through initiatives like Alumni Connect Sessions, which offered valuable industry-specific knowledge and guidance from JMC alumni. In addition, The annual boot camp, Career Catalysts, focused on enhancing interview and group discussion skills through sessions conducted by esteemed JMC alumni. These initiatives aimed to bridge the knowledge gap and equip students with essential skills for successful recruitment.
