NEEV: The Training & Development Centre

Focusing on the holistic development of students, NEEV: The Training & Development Centre was set up under the aegis of Department of Commerce, Jesus & Mary College with the plan of periodically liaising and interacting with the corporate world to explore the possibilities of training and career opportunities for the students. Aiming to bridge the gap between the candidate's skills and the industry needs by producing competent resources equipped with excellent training and professional etiquettes, NEEV provided a platform to the students of JMC to hone their professional skills and build a bold foundation to nurture their prospective career roadmap.

Finance and Investment Cell

Established in 2017. FIC not only works for imparting financial knowledge to college students but also the development and growth of its members. The society creates a professional aura for the students, creating an environment conducive to continuous intellectual development.

We strongly believe that finance has and will always be one of the quintessential jobs for any industry and hence we aim to create a better understanding of financial affairs and ignite in the students, the curiosity to learn more and become better stakeholders and global citizens.

TEDxJMC

TEDxJMC was started as a society under the commerce department in the year 2018.

The theme for an event is something that sets the tone and is the title or the tagline. This year it was “What If”, which implies the infinite possibilities that surround something. It makes us ponder upon what we could have done differently, would we be happier, if only we would have done that one thing, and if only we would have gone on the journey along the road not taken. On the 27th of March 2020, the second edition of TEDxJMC was set to take place.
